Jesse Owens is Only Athlete Holding Two Marks in Games

By EUGENE H. RUSSELL -

Sports Editor, The Times
TESSE OWENS, Ohio State University's great sprint star, is the only holder of two Olympic Games records. In fact, Owens holds 214, records, for in addition to his marks in the

200-meter dash and the broad jump, he was a member of the quartet setting the record for the 400-meter relay at Berlin

We often think man has reached the ultimate in athletic performance when along comes another youngster to calmly surprise the world with a new record.

OLYMPIC athletes at the London games in July and August will be shooting at the following records, which are listed by event, mark holder and games where record was set: 100-meter dash, 10.3 seconds, Eddie Tolan, U. S., Los

JOE McCARTHY, who came out of retirement to assume the leadership of the Boston Red Sox, is a great manager. But many fans sympathize with Joe over the possible difficult singled in a run in a four-run task he may have in managing the temperamental Ted Williams, and many wonder if McCarthy can stand for all the trouble the great Theodore could cause Joe.

Casey Stengel, Oakland manager and former Major Eague skipper, during a recent visit with Seattle sports writers, wrapped up in one simple sentence the answer to all problems of handling such prima donna stars as Williams:

"Yes, it's tough—but he hits 400!"

In addition to his hurling, Owens singled in a run in a four-run singled in a run in takend in a run in a four-run singled in a run in takend in a run in takend in a run in takend in a run in a four-run singled in a run in a four-run singl the leadership of the Boston Red Sox, is a great manager.
