Cross-Continent View Of Preakness Race

LOS ANGELES, May 22.—Here was the Hollywood Park
goose girl with her white shepherd's crook swinging along the
flowered shore of the lagoon with the California sun high overhead, and there in plain sight were Needles and Fabius and No Regrets casting long shadows in Baltimore, a continent's width fumbled Oregon, and it was the lake. He trailed the veteran away. Sometimes the 20th Century gets a little tough to take, latter accomplishment which but there it was. The horses were parading for the second race gave the visiting Webfoots a four strokes, 72 to 68, going in Hollywood, and on the television screen in the lounger than the second 18 holes of the in Hollywood, and on the television screen in the lounge 6-2 Northern Division baseball into the second 18 holes of the behind the press box the Preakness field was on the track at Pimlico.

Cassidy asked whether Ray
