F. J. Reilly Finishes Second, Uncle's Men Have a Big Lead When Contest Comes to an End.

For a long time the venerable Peter Lohman has been due to start something at Recreation ball park. During all this period of waiting he has been good to a certain degree. Why, is best known to himself. But yesterday afternoon he got gay for the first time in many moons. In consequence Buck Weaver was forced to call the battle off in the eighth inning and forfeit the game to the home teamto 0. The score at that time was San rancisco 5, Oakland 2.

Leads Leonidas by a Head Under the Wire.

Daughter of Hamburg Is a Favorite Throughout.

EW YORK, Aug. 29.—Hamburg Belle, worthy daughter of the famous Hamburg, won the Futurity to-day in footing not to her liking in a race marred only the splendid filly made ample amends by the tremendous burst of speed she showed when straightened out again, carrying her to the wire in front.

Her performance, the full six furlongs in 1:13, is the record for the race at that distance. From 1892 to 1901, inclusive, the Futurity course was 170 feet short of six furlongs. Savable made the record of 1:14 Throughout she was the speediest and

at the end the gamest, coming on in the heaviest part of the track near the rail. Fuller rode with perfect judgment. When Leonidas challenged a sixteenth from the finish Fuller struck Hamburg Belle with his whip and she swerved sidewise six fert, reducing her length's lead to nothing. The boy then dropped his whip and ing. The boy then dropped his whip and sitting down to ride called on the beautiful filly to do her best. Nobly she responded, and sprinting away shook off her sturdy half-brother, winning the greatest two-year-old prize of the world by a head. No shame rests on little Leonidas because of his defeat. Giving his sister six pounds more than her sex allowance, he raced from post to finish like the splendid thoroughbred he is. The Minuteman, John E. Madden's entry, was third, four lengths behind Leonidas. His placing among the first three was lucky. placing among the first three was lucky. William C. Whitney saw a daughter and a son of his great race horse Hamburg run first and second. That contented him with the loss of the first place.

from the grand stand. After twelve minutes' delay the big field got away in excellent alignment. Delhi seemed quickset, with Hamburg Belle, Leonidas, Little
Em and The Minuteman ranged alongside
and all in the center of the track. These ward winning the game.

The Cripples began to look a bit dangerous in their half of the fourth, when they got jerry to a few of Hodson's softest offerings and began to hit the little man through the dip, where the going is softer, but when he reached the hard strongh. got jerry to a consider the little man a few. Two runs crossed over the pan. After that they secured no more, although Hoddle was bumped in all for ten hits during the eight innings of action. It was swell fielding behind him that kept many swell fielding behind him that kept many the leaders wheeled into the stretch. Delht went back quickly, while the despised Lady Amelia had joined the front ranks. Hamburg Belle and Leonidas alone were In the fourth Danny Shay led off with a double to the score board. Meany sent him around to third on an out. Irwin was there just in time with the big bingie, and Danny made the circuit with the fourth run. The last one came over in the eighth, when the fun was broken up, thanks to Peter and his peevish ways.

Daye Zearfors made his bow to the Rec.

Hamburg Belle was skipping along easily, and as Leonidas, responding to Redfern's desperate riding, forced her faster and faster, the two sped away from the others. Leonidas drew up on the filly, both being in the center of the track and in the best going a sixteenth from home, Hamburg Belle on the inside and still a length in the lead. Fuller saw the little fellow's head bobbing closer, and, drawing his whip, hit the filly smartly on the flank.

She shrank from the blow evidently discovered to the start of the flank.

Sydney Paget earned the hand grasp of Mr. Whitney extending congratulations when the filly led the field home.

"I am glad to win, but I almost wish it had been you," said the younger turfman.

Mr. Whitney expressed intense gratification at the successes of Hamburg's get. He was especially well pleased at the showing of Leonidas.

"He is the gamest little horse I ever saw," he said. "I did not believe he could carry that weight with such horses. In fact, I wanted to withdraw him at lunchtime, and I bet a dollar Mercury would beat him."

The spectators at Ingleside Coursing Park yesterday saw some unusually long and well contested trials between well matched greyhounds. The first round of an open event and a consolation number for the beaten dogs formed the card. Favorites were generally successful, the tallent experiencing but few setbacks throughout the day.

ADVERTISEMENTS.

Those who have ever felt its keen, cutting pains, or witnessed the intense suffering of others, know that Rheumatism is torture, and that it is right-

ly called "The King of Pain." All do not suffer alike. Some are suddenly seized with the most excruciating pains, and it seems every muscle and joint in the body was being torn asunder. Others feel only occasional slight pains for weeks or months, when a sudden change in the weather or exposure to damp, chilly winds or night

air brings on a fierce attack, lasting for days perhaps, and leaving the patient with a weakened constitution or crippled and deformed for all time.

An acid, polluted condition of the blood is the cause of every form and variety of Rheumatism, Muscular, Articular, Acute, Chronic, Inflammatory and Sciatic, and the blood must be purged and purified before there is an end to your aches and pains. External applications, the use of liniments and plasters, do much toward temporary relief, but such treatment does not reach the real cause or cleanse the diseased blood; but S. S. S., the greatest of all blood purifiers and tonics, does cure Rheumatism by antidoting and neutralizing the poisonous acids and building up the weak and sluggish blood. It is

safe and reliable in all forms of Rheumatism. It makes the old acid blood rich, and the pain-tortured muscles and joints are relieved, the shattered nerves are made strong, and the entire system is invigorated and toned up by the use of this great vegetable remedy. If you have Rheumatism, write us, and our physicians will furnish without charge any information desired, and we will mail free our book on
