Teaching Life Skills through the game of Golf is the secret behind The First Tee National School Program. Elementary school students are introduced to the game of golf while simultaneously learning The First Tee's 9 Core Values (traits that are inherent in the game). The First Tee 9 Core Values include Honesty, Integrity, Sportsmanship, Respect, Confidence, Responsibility, Perseverance, Courtesy, and Judgment.

Above, Students at Arthur Jacobsen Elementary in Auburn demonstrate Sportsmanship by shaking hands.

Students learn the sport through the use of SNAG (Starting New At Golf) equipment. PE Teachers also receive training and a curriculum book consistent with NASPE standards. The First Tee National School Program is instantly ready to be delivered to students within the Auburn School District.

About The First Tee

The First Tee is a non-profit organization whose mission is to impact the lives of young people by providing learning facilities and educational programs that promote character development and life-enhancing values through the game of golf.

About the Auburn School District

With 14 elementary schools in Auburn, it is our goal to reach over 5,600 students each year. These students will be introduced to the game of golf and the values inherent in the game. With these values, students are growing up to be responsible, honest, citizens. Please support the young people in your community!

Additional Opportunities

Along with The First Tee National School Program, The First Tee offers programming at Riverbend Golf Complex in Kent (as of Summer 2009). This local facility provides opportunities for young people from the Auburn School District to further their interest in the game at an on-course facility to continue learning the life skills through the game of golf. With the support of volunteers and donations, The First Tee is able to offer many scholarships for this wonderful game. Please visit:
