**12:00 – 2:00 “The Interview – How to be Successful”**

**Carol Pence, PNW Section Employment Consultant**

Congratulations! You have submitted your resume and have landed an interview for a job you dearly want. So how will you get ready for it? Join us for an interactive presentation on the various components of an interview. It will cover structure, “rules”, typical questions asked, how best to prepare, the post interview, etc. If you are interested in a new opportunity or just want to brush up your skills, this is a way to get some pointers on how to wow the employer.

Carol Pence will be here to provide us the information. A thirty-year member of the PGA and LPGA, she works for the PGA of America and is our section’s Employment Consultant.
